Cast off. Cut yarn, leaving a long tail. Thread needle, & run tail through sides of the nose & pull to gather. Seam cast on & cast-off edges. Before you close it up, stuff nose firmly with yarn scraps or polyester fibrefill. Shape so it's roughly spherical.

Finishing:

Duplicate stitch in black center of nose. See photo for guide.

Sew nose on, centred in front of face, about 1.5" up from lower edge. Sew buttons for eyes, about 1.5" up from nose, about 2" apart.

Sew cast-on edges of ears to hat on sides of head, about 3.5" down from top, about 7" apart.
