NOTES

- It's important that you get the same gauge for the Fancy Rib pattern and the Dots and Dashes pattern. Because of the slipped stitches in the Dots and Dashes pattern, this may require two different needle sizes (smaller for Rib, larger for Dots and Dashes). Swatch both stitch patterns to be sure!

-Do not cut MC between rounds; carry it loosely up inside of work when not in use.

-The CC's are used in order from CC1 to CC5, then this sequence is repeated throughout the scarf. Each CC is used for only 2 rounds before changing to the next CC. For example, the first time you work the pattern, use CC1 for Rnds 3 and 4, and CC2 for Rnds 7 and 8. When the pattern is repeated, use CC3 for Rnds 3 and 4, and CC4 for Rnds 7 and 8. The next time you repeat the pattern, use CC5 for Rnds 3 and 4, and then CC1 again for Rnds 7 and 8. Continue in this manner, always changing to the next CC color in order.

All efforts were made to make this pattern error-free. For questions or support, please email: info@fairmountfibers.com
