

Estelle Pom or Lana Grossa Gnocchi Shawl or Scarf

Estelle Pom scarf

Materials:

1 100g skeins Estelle Pom
8 mm needles

Cast on 6 stitches using the e-loop method. Cast on one stitch for each length of binder between the Poms.

Knit every row. You will knit two stitches for each length of binder between the Poms. Knit until scarf measures approximately 60" or desired length. Cast off loosely. You will cast off using only one stitch between the Poms.

Optional: instead of casting off, cut a length of Pom, thread onto a darning needle and draw through the sts on needle. Tie off & secure end.

If you want a wider scarf, cast on additional stitches. You may need to purchase an extra skein of Pom. If you have to join a second skein cut off a Pom at each end so that you have two lengths of binder. Tie a knot (we know it goes against everything we've been told about knots in knitting but don't worry, it won't show!).

Lana Grossa Gnocchi Scarf

Materials:

4 50g balls Lana Grossa Gnocchi (see below)
5 mm needles

Follow cast on and cast off instructions for Estelle Pom. Knit every row. You will knit one stitch between the Gnocchis. Knit to desired length.

For wide version – cast on 12 stitches – uses about 4 balls – no fringe

For thin version – cast on 8 stitches – uses about 3 balls – no fringe

For skinny version – cast on 6 stitches – uses 2 balls – no fringe.

Fringe if desired

Optional: Hold one strand of Estelle Whisper with the Gnocchi.
